Questions about which all breed clubs have stepped up to join, then discussion about including Group clubs, Breed Clubs or even Wyoming clubs.

1st Annual Best of the Best

- Discussion on fundraising and overall plans for the event.
- Group felt that hopefully after people see the 1st Event more will want to be supportive! (since so many say they support juniors, but then are not too interested)
- Kari Loken volunteered to do the Junior Catalog for the event.

No Formal Business was done, this was more of a general update meeting.

These notes were taken by Marlene Groves.
